MOTIVATIONAL DNA PROFILING (OPTIONAL)

Each person will fill out a diagnostic of 21 Statements that will determine their motivational type.

Are you a:

- Producer?*
- Connector?*
- Stabilizer?*
- Variable?*
- Internal or External?*

- When we profile you we will show your office mates how to motivate and communicate with you.
- Once each learns how to work alongside of each DNA Profile, your office will become a happier more productive place to work.
- Each person will receive a print-out of their profile and an additional print-out of their co-workers' profiles and how to communicate, work their strengths, see the pitfalls, recover from conflict and motivate one another.
- You will receive a button to wear at work with 3 letters that describe your profile so workers connecting with you will know how to motivate you.
- Allow 2 weeks for Profile Analysis and Buttons-Then the work is up to you.

So just come for an afternoon of Art and Fun!
