**Lynrich Arts** reserves the right to cancel any class due to insufficient enrolment. In case of cancellation you will be notified as soon as possible and your funds will be returned. Please note: No refunds are provided after sign up and payment of class except where it is the fault of **Lynrich Arts**. So be sure you want to take the class. There will be no make-up classes except for two within each 8 week session. These make-ups must be done at another class within the 8 week period. If there is no other class time that we can provide you will be allowed to add them to the end of your session. **Lynrich Arts** allows only 12-14 spaces per class with ongoing registration. Since our attending students have 1st right to the next session they will be reminded on the 7th class and will re-register to assure their spot into the next 8 weeks. Failure to re-commit at the 7th class may result in the loss of their spots in the next session depending on class demand. NSF cheques are subject to a \$45.00 service charge. Should illness occur requiring withdrawal prior to the start of class a \$50.00 administration fee will be retained. There are NO refunds once class begins. Any withdrawal must occur a minimum of 8 days prior to start of class. There are no exceptions.

Release, Indemnity Agreement and Declaration:

In consideration of the application for admission being considered, and in consideration of the admission of the student to **Lynrich Arts**, the undersigned agree to release, discharge and/or indemnify **Lynrich Arts Enterprises LTD.**, its directors, employees, agents and servants of all claims and demands whatsoever which may arise as a result of the negligence or otherwise of the student, made by or on behalf of his or her executors or administrators. I also acknowledge **Lynrich Arts'** policy including payment, refunds and make-up lessons as outlined, and understand that my child or myself is to be enrolled in the course selected, for the entire number of weeks stipulated on the schedule sheet.
